So, to answer the question from my own perspective, Star Wars shows us the black and the white, and it also shows us the shades of gray in between. It is not, however, morally ambiguous, for the themes of the Saga are quite clear: Loyalty, sacrifice, love and friendship: these are the aspects of life that truly matter, not power, material acquisition or control of others.

The study combines theories of myth, popular culture, structuralism and poststructuralism to explain the enormous appeal of Star Wars and Harry Potter. Although much research already exists on both stories individually, this book is the first to explicitly bring them together in order to explore their set-up and the ways in which their ...
