INTRODUCTION. The diminishing differences between generally accepted accounting principles (GAAP), principally established by the Financial Accounting Standards Board (FASB), and international financial reporting standards (IFRS), as established by the International Accounting Standards Board (IASB), is narrowing at a faster pace.

Real estate appraisal, property valuation or land valuation is the process of developing an opinion of value, for real property (usually market value). Real estate transactions often require appraisals because they occur infrequently and every property is unique (especially their condition, a key factor in valuation), unlike corporate stocks, which are traded daily and are identical (thus a ...
