Principles of Economics (9781285165875) - Slader

Menger set out to elucidate the precise nature of economic value, and root economics firmly in the real-world actions of individual human beings. For this reason, Carl Menger (1840-1921) was the founder of the Austrian School of economics. It is the book that Mises said turned him into a real economist.

Principles of Economics | Mises Institute

Principles of Economics aims to teach considerable range and depth of Economic concepts through an approachable style and methodology. The authors take a three-pronged approach to every chapter: The concept is covered with a "Heads Up" to ward off confusion, a real-world application for that concept, and a "You Try It" section to make sure students are staying on top of the concept.

Principles of Economics - Open Textbook Library
